**Presenter:** So, Penny from Bristol! OK, let's play the "Who am I?" game. Are you ready?

**Penny:** Yes, I am.

**Presenter:** I'm a pop singer. I'm tall and slim with long straight dark hair and...

**Penny:** I know. You're Jenny Danes.

**Presenter:** Jenny Danes hasn't got straight hair. She's got long wavy hair.

**Penny:** Oh, OK. Then you're Diana James.

**Presenter:** That's right. You win €300.

2.

**Presenter:** Carl Thomas, the famous pop singer is here today to tell us all about his life. So, Carl, what's your life like now that you're famous?

**Carl Thomas:** Well, this month I've got lots of concerts so I'm moving from city to city and I'm staying

at hotels. When I haven't got any concerts, I usually spend my free time at home and rarely go out because of all the reporters and journalists. My friends come over and we all sit and have dinner together. I don't like the food in restaurants. I love cooking.

3.

**Presenter:** Mr Brolin is here to tell us everything about Edwin Youth Club. So, what kind of classes are there?

**Mr Brolin:** We've got art classes and of course you can join one of our teams, volleyball, basketball and table tennis. There's also a new chess club.

**Presenter:** What about drama lessons?

**Nadia:** Hey Peter. I haven't seen you for a year. How are you?

**Peter:** I'm fine. It's nice to see you.

**Nadia:** Do you still work at the zoo?

**Peter:** No, I left that job, but my new job has a lot to do with wild animals. I'm a reporter for "Endangered", a magazine about wild animals. I visit zoos and talk to zookeepers about the animals and I travel a lot, too.

**Nadia:** It sounds really exciting. How long have you been at this job? About a year?

**Peter:** No, only for six months.

**Nadia:** Wild animals are dangerous. Has anything strange happened to you?

**Peter:** Well, I've just got out of hospital but it's not because of wild animals.

**Nadia:** Why? What happened?

**Peter:** After my interview with a zookeeper, we had lunch at a seafood restaurant near the zoo. After lunch, I didn't feel very well. But that's not all. As we were leaving the restaurant, a bee stung me. I couldn't walk so the zookeeper took me to hospital.

**Nadia:** Oh my! Are you allergic to bees?

**Peter:** Well, that's what I thought but the doctor said it was the seafood.

Last night's episode was great. Steve was playing basketball and Claire went to see him. She really likes him, you see. Anyway, she had her dog with her and it attacked him. Steve wasn't happy at all. That's where it ended. I can't wait to see it today. It's going to be great.

### Hayley

I watched it from the beginning till the end. It was really exciting and Shane Winters won in the end. He won €500,000! That's a lot of money. He's a great player,

though. I think he's going to win the world championships, too. If he plays like that, he should win.

### Doug

Yesterday's programme was silly really. The contestants were given a lot of time to answer and the questions were too easy. I knew all the answers. Only the last one was difficult. It was about elephants or something. I couldn't get that one. Anyway, I might write to the TV channel one day. I'd be great on that show, I'm sure.
